

Ph.D. Admissions Test Schedule

Common Test of Research Methodology on 11.07.2022 at 10.00 AM

Venue - DH1 to DH4 (on second floor above Institute Auditorium)

10.30 am to 11.30 am	12.00 noon to 1.00 pm	2.00 pm to 3.00 pm
Centre of Excellence in Industrial & Product Design	Department of Electronics & Communication Engineering	Geotechnical Engineering - Department of Civil Engineering
Centre of Management and Humanities	Department of Production and Industrial Engineering	
Cyber Security Research Centre	Control System - Department of Electrical Engineering	
Department of Computer Science & Engineering	Manufacturing - Department of Mechanical Engineering	
Chemistry - Department of Applied Sciences	Transportation Engineering - Department of Civil Engineering	
Mathematics - Department of Applied Sciences	Environmental Engineering - Department of Civil Engineering	
Physics - Department of Applied Sciences		
Department of Aerospace Engineering		
Design - Department of Mechanical Engineering		
Thermal - Department of Mechanical Engineering		
Power Electronics - Department of Electrical Engineering		
Power System - Department of Electrical Engineering		
Remote Sensing and GIS - Department of Civil Engineering		
Structural Engineering - Department of Civil Engineering/ Construction Technology & Management - Department of Civil Engineering		
Water Resources Engineering - Department of Civil Engineering		

Note:-

1. Common Test of Research Methodology is compulsory for all the candidates.
2. Candidates are advised to bring any government issued ID proof at time of examination.
