Subject: Grant of medical facilities to the retired government servants of Union Territory Administration of Chandigarh and their dependents.
Sir/Madam,

I am directed to state that on the applicability of Punjab rules/orders by virtue of the Conditions of Service of Union Territory, of Chandigarh Employees Rules, 1992, a proposal for the grant of medical facilities to the retired government servants of Union Territory Administration of Chandigarh and their dependents on Punjab pattern was referred to the Ministry of Home Affairs, Government of India for their approval. The Ministry of Home Affairs in consultation with the Finance Department decided that as the retirement benefits as admissible to Punjab Government employees stand extended to the Union Territory of Chandigarh employees, pensioners of Chandigarh Administration would be entitled to the same medical facilities as are applicable to their counterparts in Punjab Government. Accordingly, the Administrator, Union Territory, Chandigarh is pleased to decide that all retired Government servants of Union Territory Administration of Chandigarh and their dependents may be granted same medical facilities as are applicable to their counterparts in Punjab Government with effect from 06.02.1997 and treat them at par with serving employees in the matter of grant of these facilities.

In accordance with above decision, all pensioners will exercise their options within a period of four months from the date of issue of this communication and will send the same to the Head of Department concerned. Where the pensioner has opted for grant of fixed medical allowance, the concerned Head of Department will forward his/her option to the Treasury Officer, Central Treasury, Chandigarh/Accountant General (A&E), Punjab and Sub-Office, UT, Chandigarh/Scheduled Banks etc. for making necessary payment of fixed medical allowance along with the pension of the concerned retiree. The retirees should
