Subject: - Re-imburement of Medical Expenses incurred by

Sir,

I am directed to invite your attention towards

2000 and subsequent clarification issued vide Punjab Government
memo No.12/69/98-5HBV/25705, dated 09.10.2001 on the subject
cited above.

2. After considering the representations received from
Government employees/pensioners to remove the condition laid
down at Sr.No.3 of para-1 of the Government letter issued vide
Memo No.12/69/98-5HBV/25705, dated 9.10.2001 as referred above,
Government has decided to allow reimbursement for follow up
outdoor treatment taken from all such hospitals/institutions
whether Government or private from where indoor treatment has

been taken by Government employees/pensioners at AIIMS/Govt. rates for treatment of Complicated Chronic diseases.

3. Further, it has been noted that at present reimbursement for outdoor treatment of Complicated Chronic Diseases is admissible if taken only from PGI/AIIMS/three State Medical Colleges based on the Complicated Chronic Diseases Certificate obtained from these Institutions once in three years.

4. It has also been felt that although it may be possible for a patient to obtain required certificate from any of these institutions required once in three years, but considering the distances involved, it may not be possible for him/her to visit these Medical Institutions for outdoor treatment every week, fortnight or month as may be required.

5. In view of above, it has further been decided that in addition to the outdoor treatment taken from PGI/AIIMS and the three State Medical Colleges for Complicated Chronic Diseases, the reimbursement of outdoor treatment taken from Government Medical College and Hospital, Sector-32, Chandigarh, General Hospital, Sector-16, Chandigarh, Christian Medical College/Hospital, Ludhiana, Dayanand Medical College/Hospital, Ludhiana (being teaching institutions) and all district level Civil Hospitals in the State shall be admissible based on the Complicated Chronic Diseases Certificate already issued.

However, the medical bills/claim of the patient/claimant shall be verified by the Head of the Institution/Hospital from where the outdoor treatment has been taken.

6. The above decisions shall be applicable with effect from 01.04.2004.

7. These instructions may kindly be brought to the notice of all concerned for their information/compliance.

8. These instructions are issued in accordance with

Count: 3..
