

# Quantum Materials: Shaping the Future of Technology

An awareness workshop, in line with Government of India's National Quantum Mission, on emerging trends and innovative applications in Quantum materials and Technology.

**Date: April 22 , 2024**

**Time: 9 am onwards**

**Venue: PEC Auditorium**

**Eminent speakers from National Institutes**

## How will the participants benefit from this workshop?

- Quantum Technologies: Thoughts and ideas of tomorrow.
- In-person interaction with the leading experts in this field.
- New innovative inter-departmental and inter-institutional **M.Tech and doctoral Programme on Quantum Materials and Technology** will be discussed.

**Registration Link:** <https://forms.gle/eXMKDFoYReuvy7eRA>

**No Registration Fee!**

**Certificates for participation will be provided.**

**Last Date to apply: April 15,2024**

Organized By:  
Physics Department,  
Punjab Engineering College  
(Deemed to be University)  
Chandigarh
