

Punjab Engineering College
(Deemed to be University), Chandigarh

Reduced Academic Load

A student placed on Academic Probation / Warning may be permitted a reduced load during the next semester if he/she so desires. However, the courses for which he/she registers will be decided by the appropriate DAPC keeping in mind the required minimum level of performance as per section 8.1 and the termination conditions laid down in section 8.4.

The parents / guardians of such a student will be kept informed of his/her progress.

Rules & Procedures for Undergraduate Programmes

(Applicable to students admitted from Academic Session 2014-15 onwards)
