Packages Under Process

Sr. No.	Department Name	Package Name	Package Amount
1	Computer Centre	Data Centre for Central Research Lab	81.33 Lacs
2	Central Library	E-Database Procurement (EBSCO Business Elite Plus-Management Database)	2.56 Lacs
3		E-books Procurement (Springer)	9.95 Lacs
4	Materials & Metallurgical Engineering	Lab Size Rolling Mill	25 Lacs

Packages completed in 2012

Sr. No	Department	Package Name	Fund Utilized
1	Materials & Metallurgical Engineering	Heat Treatment Lab	10,42,912.00
Total			**10,42,912.00**

Packages completed in 2013

Sr. No	Department	Package Name	Fund Utilized
1	Civil Engineering	PG Highway Lab (Package 1)	22,89,375.00
2	Electrical Engineering	Digital Multifunction Calibrator	9,25,589.00
		Load Manager and Accessories	12,59,500.00
		Meters	4,99,746.00
		Power Quality Analyser	4,61,250.00
		Tester	2,30,063.00
		Civil works in Electrical Engineering Department	48,000.00

Packages completed in 2013

Sr. No	Department	Package Name	Fund Utilized
3	Electronics & Communication Engineering	Communication Lab-I	5,25,000.00
		Upgradation of Embedded system lab	10,94,134.00
4	Computer Science & Engineering	Forensic Equipment for Cyber Security Lab	19,91,325.00
Total			**93,23,982.00**

Packages completed in 2014

Sr. No	Department	Package Name	Fund Utilized
1	Civil Engineering	PG Highway Lab (Package 2)	15,52,500.00
2	Electrical Engineering	Mechanical Energy Effect Measurement	68,342.90
		Energy Audit Lab Furniture	66,857.00
3	Electronics & Communication Engineering	Cadence VLSI University Bundle Analog Suite FE & BE	9,96,975.00
		Communication Lab-II	2,36,250.00
		Communication Lab (Computers)	2,83,608.00
4	Mechanical Engineering	Advanced Manufacturing Technology Lab	80,00,000.00
5	Materials & Metallurgical Engineering	Metallurgical Microscope	16,78,260.00

Packages completed in 2014

Sr. No	Department	Package Name	Fund Utilized
		Electrochemical Workstation with FRA Module	15,22,850.00
		Vacuum Sintering Furnace-RI	5,06,250.00
6	Computer Science & Engineering	Computing Equipments Servers and Thin Clients	18,05,507.00
7	Production Engineering	Up-gradation of existing Work Study and Ergonomics laboratory	30,75,558.15
8	Institution	Video conferencing system	32,56,470.00
		Virtual classroom	20,14,675.00
9	Library	RFID enabled automation & surveillance system	33,63,301.00
Total			**2,84,27,403.15**

Packages completed in 2015

Sr. No	Department	Package Name	Fund Utilized
1	Electrical Engineering	Thermal Imager	1,20,231.00
2	Production Engineering	3D Scanner	53,92,237.50
3	Library	E Books	9,56,175.00
		RFID application software along with Libsys7	4,97,306.00
Total			**69,65,949.50**

Packages completed in 2016

Sr. No	Department	Package Name	Fund Utilized
1	Electrical Engineering	Computer & Peripheral	2,83,646.00
		Analyzer	9,91,273.00
2	Materials & Metallurgical Engineering	Compression Press R3	10,16,715.00
3	Computer Science & Engineering	Machine Data Analytical Tool	14,39,301.60
4	Library	Books (McGraw Hill)	68,375.00
		Print books (Pearson)	49,939.00
		Books (Wiley)	69,567.00
