

CORRIGENDUM

Subject: Regarding small changes in E-TENDER of Submersible Motor (40 HP)

The e-tender of submersible motor (40 HP) has been published online starting from 31/12/2020 to 14/01/2021 with terms and conditions has already been given. Now, Department has made some editing in the same as follow:

1. In SECTION-IV (Sub-heading 1.1), the discharge value has given in the floated document as **5000 to 000 LPM; it may read as 5000 to 6000 LPM.**
2. In Checklist of tender document; points from Sr. No. 1 to 13 has been given in the floated documents; in addition, one point has been added as **Sr. No. 14 (Do you agree to provide full satisfaction in discharge carrying capacity of Submersible Motor as per tender requirement?)**
3. In SECTION-II (Terms and conditions of contract); points from Sr. No. 1 to 25 has given in the floated documents; one point has been added as **Sr. No. 26 (The bidder has to provide the full satisfaction in discharge carrying capacity of the machinery/ equipment's as per specification mentioned in the tender document).**

As, the last date of opening E-tender has been scheduled on 14/01/21, now in view of above it has been extended to 21/01/21.
