Sector 12, Chandigarh

Sub: Proprietary product Certificate

Dear Sir,

This is to hereby certify that SolidWorks Suite of products is proprietary product of M/s Dassault Systèmes SolidWorks Corporation, USA and only developed by our company.

The SolidWorks Education Edition Product is bundle of our 3DCAD, Finite Element Analysis, Computational Fluid Dynamics, Plastic Simulation & Sustainability. No other organization has similar product specifications and has such an Education bundle covering all aspects of mechanical engineering.

In case of any further clarifications, please feel free to contact us.

Thanking you

Yours truly,
for Dassault Systèmes India Pvt Limited
