Item No.	Item	Decision
32.1	To confirm the minutes of 31 st meeting of the Board of Governors held on 30.03.2011.	Confirmed. The Board authorized Chairman BOG to resolve the matter regarding comments of Prof. Siby John. The Chairman has since decided that the following be

		<p>placed on record:</p> <p>“ In respect of the comments of Prof. Siby John on the CAS Case before the High Court on the commitment for reconsideration of the cases rejected earlier made by Dy. Director & Registrar without BOG authorization, Chairman BOG explained that since repeated postponement of these cases dozens of items on procedural grounds had stalled PEC’s much-needed augmentation of Faculty, he himself had been chasing the Legal Adviser (LA) to expedite them. Phone discussion on the morning of the Hearing was the latest in which he had advised the LA to see that there was no further postponement and if needed, present some workable solution acceptable to the Court.</p> <p>In the above backdrop, LA’s attributing the Court Decision to the Dy. Director & Registrar without BOG authorization was purely a procedural courtesy by the LA to the Chairman BOG.</p> <p>In may be noted that revised CAS Selections as per the Court Order have already been held and Selection Committee Proceedings filed in the Court in a “Confidential Cover” as required on the due date.</p>

Items for Information

(i) Letter to UGC regarding revision of MOA

In pursuance of the decision taken in the previous Board meeting, the Director has written to the UGC Chairman after consultation with the Chairman and Vice-Chairman of the Board. The letter may be seen as Annexure 32.3.1.

(ii) Participation in NASA Moonbuggy Race

Two teams ROUGH RIDER and ARYABHATT, from PEC University of Technology won the “Best performance in International Teams” at the 18th annual Great Moonbuggy Race. The race was held at Huntsville, Alabama at the US Space and Rocket Centre on April 1 and 2, 2011. The participants were required to design a vehicle that addressed a series of engineering problems in order to move on a simulated moon-surface. Out of the total 89 participating teams, very few could complete the race. It took the teams 6 months to design the vehicle which cost Rs. 1.5-2 lakhs. The project was sponsored by Tata Steel, Nectar Life Science, Swaraj, Safran Engineering Services India, Punjab Government, Department of Science and Technology, Chandigarh Administration, PEC Alumni and PEC University of Technology.

(iii) Blood Donation Camp Organized By NSS Unit of PEC University of Technology

The bi-annual Blood donation Camp of PEC University of Technology, Chandigarh in collaboration with PGIMER was held at the college campus on 31st March 2011. Students, faculty and staff who have donated blood at least 5 times were felicitated by awarding them a token of appreciation. A total 333 units of blood were donated. The students were also given the donor cards that can help them to get blood in times of need.

(iv) OPEN HOUSE 2011

Open House 2011 was held at PEC University of Technology on 30th April, 2011. A first of its kind in the region, PEC Open House is an annual event, organized with the aim to encourage the young school students to pursue engineering as their career. The visiting school students from more than 20 schools were taken on well-guided tours to various kiosks being put up in all the departments where they witnessed several interesting engineering projects &

working models developed by the students of the college, including award winning entries at several technical competitions. Best projects were also given awards.
