Please note:

1. Attending the practicals and end-term examinations is optional for the students. If a student decides not to appear in the examinations, s/he will be given an 'I' grade and the examination will be held later on when the situation becomes normal.
2. Students, who are presently residing outside India, will have the option to appear in online examination as per the schedule of physical examination. The instructors will ensure appropriate structuring, proctoring and recording of the online examinations.
3. The course instructors may take quizzes/ assignments/ viva-voce when the students are physically present in the campus and decide the weightage at their own level but an end-term examination of 2 hours duration will be mandatory and its weightage will not be less than 50% in the final evaluation. There will be no formal mid-term examination.
4. HODs and HOCs are requested to ensure adherence to social distancing norms, wearing of masks and SOP of the Institute by the students, staff and faculty at all times. Further, the students must be advised to avoid overcrowding at the entry and exit points of the examination halls.
5. If required, practicals and end-term examinations may be scheduled on Saturdays and Sundays also.
6. The dates of Project and survey camp evaluation will be decided at the department level within the stay period of the students.
7. Online teaching for the 20-21-1 semester will continue upto 12.11.2020.
