

# Workshop for faculty to begin

*Chandigarh:* AS MANY as 28 engineering institutes from across the country will take part in a three-day workshop for Faculty Mentors Induction Programme for New Students which will be conducted by NPIU at the auditorium of PEC University of Technology under TEQIP-III project from September 22 to 24. An official said the purpose of the workshop is to sensitise students about human values and develop morality to take decisions for the greater good. Anil Kumar Tripathi, dean of IIT, Varanasi, and Jatinder Narula, assistant registrar, International Resource Centre for Universal Human Values and Ethics, PTU, will share their knowledge and experience with all the participants.
